Investment Highlights

- Proprietary document automation software included — no third-party dependency.
- Portfolio of 40+ branded domains covering major US states and counties.
- Evergreen legal niche with consistent, recurring consumer demand.
- Only 2 hrs/week owner time required — largely staff-managed operations.
- Multiple revenue streams: one-time, upsells, subscriptions, and shipping.

Growth Opportunities

Online Notarization

Add notarization services to increase average order value and conversions.

Court Filing Integration

Automate court submissions to dramatically enhance product value proposition.

Legal Vertical Expansion

Adapt proprietary software for visa, estate, or other document niches.

SEO & Authority Building

Develop smaller domains and strengthen E-E-A-T signals for organic growth.
