Investment Highlights

- No inventory, warehousing, or fulfillment — fully asset-light model.
- Top design contributes just 2.6% of revenue — exceptionally diversified.
- Premium tier account with significant remaining upload capacity available.
- Global sales across four international marketplaces with proven demand.
- 58 published digital titles add a secondary passive royalty income stream.

Growth Opportunities

Niche Expansion

Thousands of untapped product niches available within current account tier.

Ad Optimisation

Refine seasonal and event-driven campaigns to boost conversion and visibility.

Publishing Scale

Expand digital publishing catalog using AI-assisted content creation tools.

Platform Diversification

Extend designs to additional print-on-demand platforms for incremental revenue.
