Investment Highlights

- 95%+ gross margins with fully automated order fulfillment requiring no manual intervention.
- Strong domain authority outperforming many direct competitors in organic search.
- 4,400+ total orders processed; 100–150 new customers acquired monthly.
- Zero paid advertising — revenue driven entirely by organic and content channels.
- B2B self-service team offering already built and generating revenue.

Growth Opportunities

SEO Expansion

Untapped high-authority domain with room for targeted content and keyword growth.

B2B Outbound Sales

Proactive outreach to corporate teams could significantly exceed current inbound revenue.

Pricing Optimization

Tiered pricing and reduced image counts would materially improve average order value.

Retention & Upsells

No upsell funnels or email campaigns yet implemented — immediate low-effort opportunity.
