Investment Highlights

- Proprietary full-stack platform: client, rider, and merchant apps fully owned.
- 8-year operating history with 95%+ customer retention rate.
- ~9,000 orders/month with low customer acquisition costs.
- Lean operations — founder works only ~15 hours per week.
- Multiple revenue streams: commissions, delivery fees, and in-app placements.

Growth Opportunities

- Geographic Expansion

Replicate plug-and-play model in new cities or EU markets.
- B2B Catering

Add corporate catering partnerships to significantly increase average order value.
- In-App Advertising

Scale sponsored restaurant placements into a high-margin revenue stream.
- White-Label SaaS

License proprietary tech stack to delivery operators in other industries.
